## *Our Story*

# Student Life Provides Variety

Our Story began on August 28, 1972 with a routine assembly and prospective hopes for the coming year. Phases of student life were constantly on the scene - the long line of absentees in the principal's office, the daily ritual of raising the flag, early morning band practice, a crowded hall teeming with students...

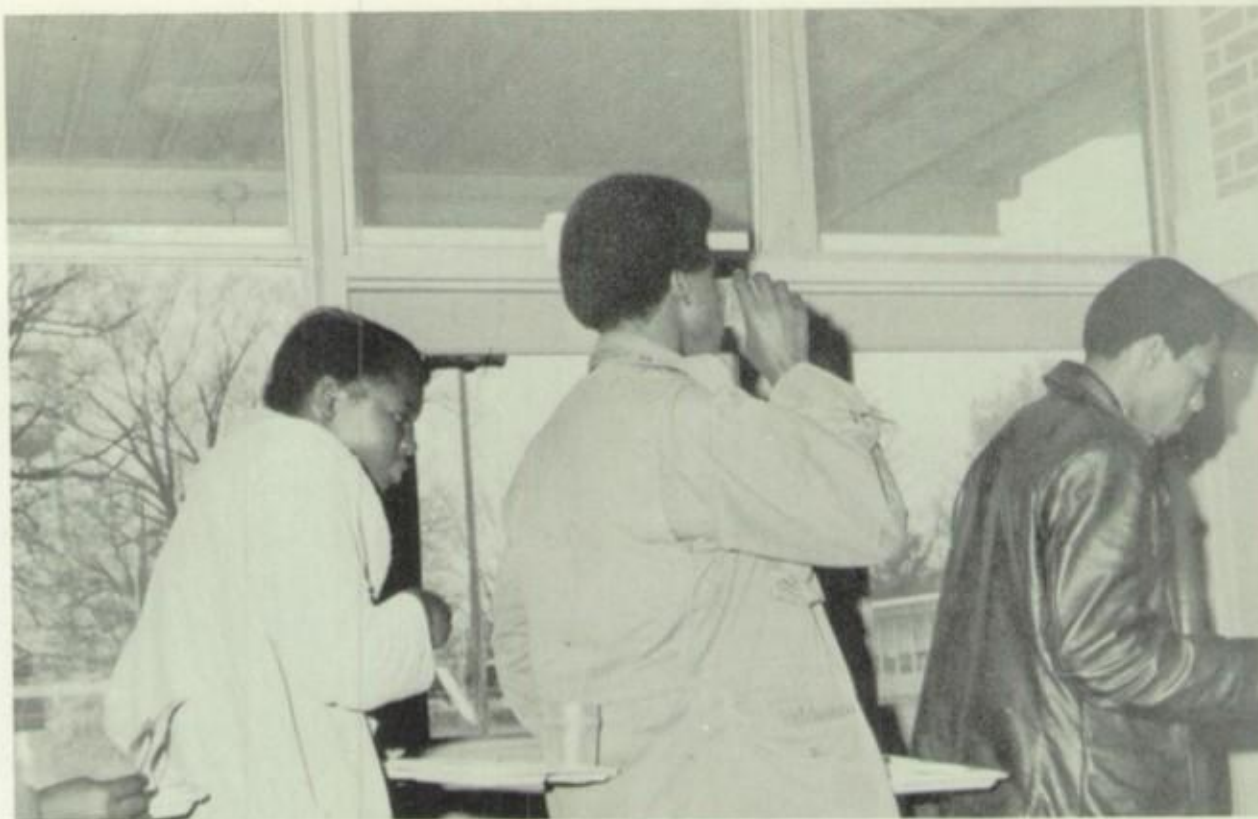

and the delivery of the bulletin to each classroom. The mad dash to lunch, and the Monday morning blahs - all these are distinctive marks of our town, our school, OUR STORY.

The lunch hour finds Dumas students in many and varying places. Some prefer the lunchroom lines, while others are satisfied with just plain eating - anywhere. Below, some students occupy one of their favorite spots, the front steps, as they enjoy the congregating of friends before the resumption of afternoon classes; three coeds await the sound of the bell to begin the afternoon.

## *Extra Curricular Activities Fill Afternoons*

Extra activities filled most of the afternoons of students this year, especially Juniors and Seniors. Athletes involved themselves with after-school basketball practice, Junior boys participated in the Off Season program, and club meetings were attended during activity periods, including this group of Student Council representatives.

# Students Give Assemblies, Attend Meets

The gymnastics team became very active this year as they attended various meets and contests. The group included, ABOVE: ( front row ) Jean Robinson, Holly Hudson, Marilyn Morant, Angela Davis, Barbie Vickers. BACK ROW: Mona Leonard, Linda Hagood, Mary Heiman, Agnes Holley, Renee Johnston. LEFT: Johns Lacy, Marilyn Hunt help out with the yearbook assembly for the student body. TOP LEFT: Barbie Vickers performs on the trampoline.

Noise - and quiet. Chaos - and tranquility. Moods that reverberate in activity, and echo in silence. Students trickle out of the school as wayward children who have only stopped here for a time, and then continue on their way. Rural students chat with friends as they anticipate the long ride home. And an empty old classroom waits patiently for another day of knowledge and the people who bring it to return.

## *Seniors Enjoy Pleasures of Final Year*

Every day they sat in the same desks, saw the same buildings, walked the same sidewalks. Throughout the year, their paths never changed, only the direction, the destination. For Seniors the year 1972-73 was the realization of 12 long years of study, fun, work, and excitement. Senior activities were enjoyed by all - ordering and receiving class rings, taking the last semester test, measuring for caps and gowns, and having Senior pictures taken.

# Victory Climaxes Hectic "McGehee Week"

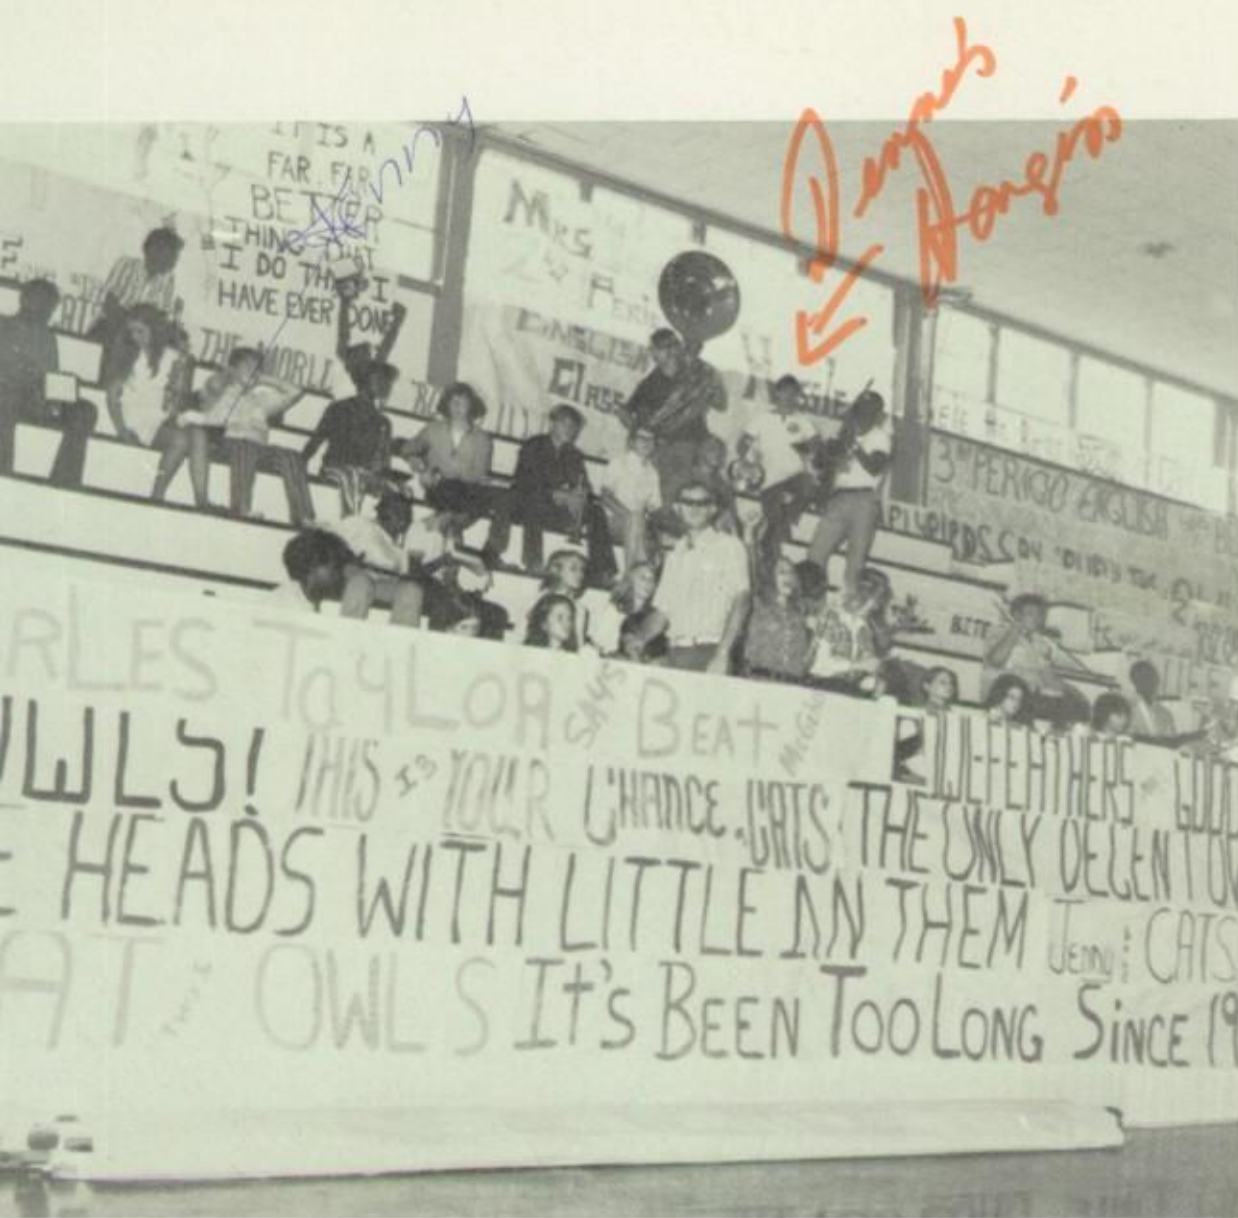

Miles and miles of paint and paper, a sign reading "Honk if you want to beat the Owls," and faces mirroring anxiety and impatience, eagerly waiting for the reward - these were all frequent scenes during the hurried week of preparation for the "Big Battle." An assembly was held with the mayor proclaiming "Best McGehee Week," (near right) several car caravans circulated through town and succeeded in letting everyone know that THIS was the Day of the Cat.

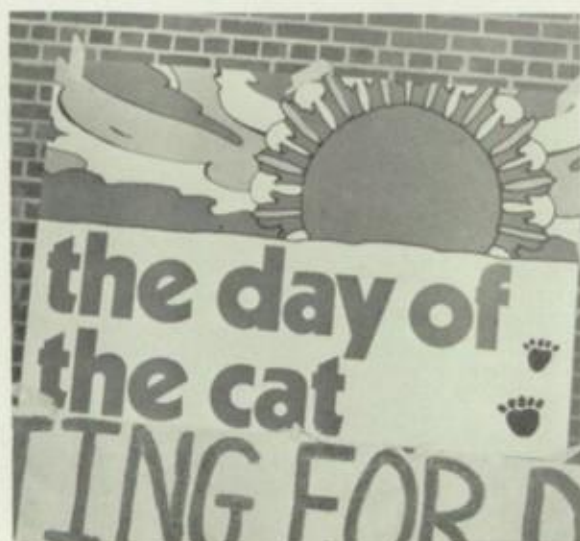

*Diminishing Returns*  
*for my money*

Student activities during the annual week of rivalry were directed by the Student Council. A busy schedule of car caravans, pep rallies, and assemblies filled the days leading up to the game. Football players were entertained with various dinners and banquets, while cheerleaders worked feverishly on the gigantic sign. The scoreboard (bottom) made the week worth it. The week resulted in an overall school effort which encompassed almost every student.

# Homecoming Preparation

Many spirit boosters were employed during much of the football season. One example was used for the Hamburg game: a Bobcat mascot, Elaine Watson, and a Lion, played by Drew Stimson. For the Homecoming game, majorettes entertained with a fire routine which, at one point, almost succeeded in burning down the team bench (btm.). Below, coaches McHan and McGehee enjoy pep rally, as (btm. right) Bobcat Don Jagers chases Warren ball carrier.

# Involves Many

The ceremony of a traditional Homecoming filled a week of flurried, hurried preparation for the 1972 Homecoming Court. There were many goals to be reached - finishing the decorations and throne, as Rosalyn Ross illustrates at left, and numerous other items. The anxiety was climaxed by the announcement of the Bobcat queen, Miss Terry Daniel, at pep rally the week prior to Homecoming. Game day was a whirl of the presentation of the Court and then finally, coronation of the Queen by School Board President Dr. Guy Robinson.

# *An Exciting Night — Homecoming*

It gave its total support to the sports program, undertook the sponsorship of the Jr.-Sr. Powder Puff Football Game, and provided a child from an orphanage with Christmas presents obtained by a bake sale at a season basketball game. One week was even proclaimed "Sneak up on the Redbugs Week," and everyone was instructed to wear sneakers in honor of the Fordyce game.

Early in the year, the Spanish Club began the search for a new name. After much discussion, the title "Los Compañeros Espanoles" was decided upon. With this innovation, the club undertook many activities. In late fall, a Spanish movie and dinner in Little Rock were attended, the annual banquet was held in January, and a trip to Mexico was planned during the spring break.

## Cats Bounce Back

The 1972 grid season saw the Bobcats better their '71 season record of 3-7 to an improved 5-5. The season began slowly, with losses going to Star City, Dewitt, and Monticello. But the joint determination of the older, experienced players and the eager underclassmen resulted in rousing wins over Eudora, Lake Village, Fordyce, and a 38-7 romp over traditional rival McGehee. Falling to the tough competition of Hamburg and Warren, the Bobcats brought home their final victory for the year with a convincing win over Watson Chapel.

# Bobcats Demolish Owls

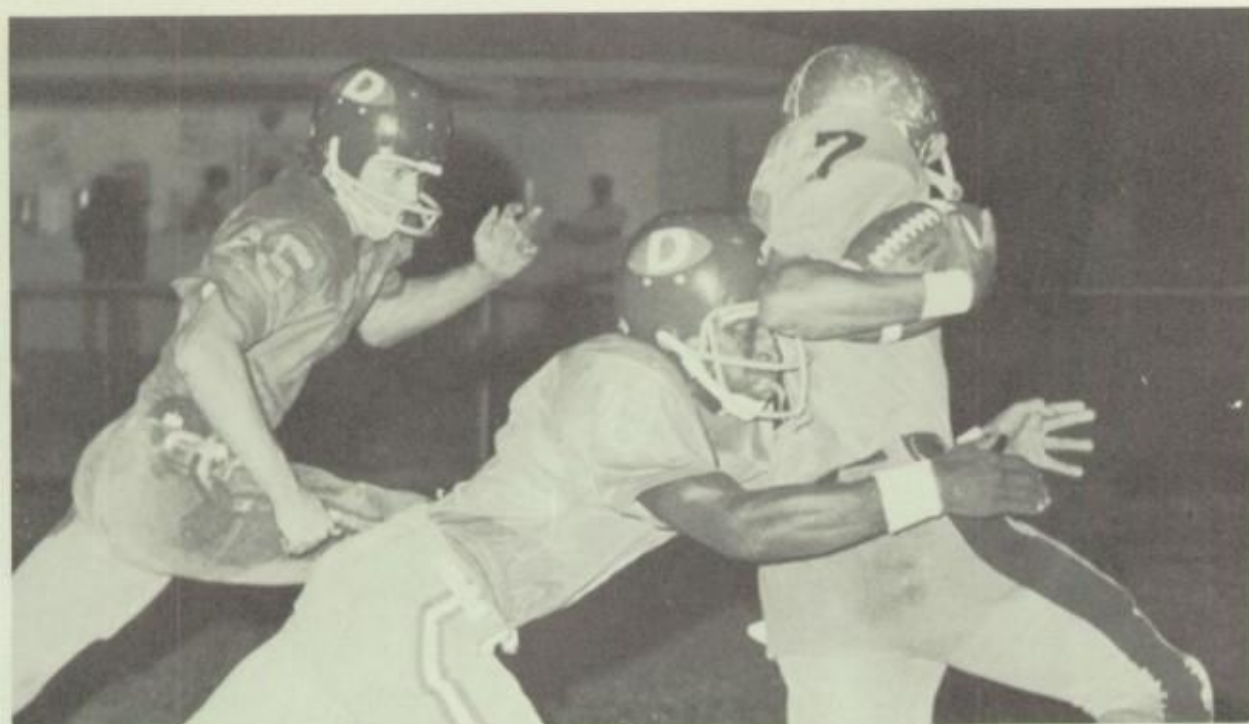

A potent offense and stingy defense resulted in an ecstatic victory for the Cats over the McGehee Owls. Long overdue for a win, the '72 squad broke a four year losing streak with the game. The already-surgeing spirit was bolstered by a night pep rally, car caravan, and a deafening Friday pep rally. The landslide win climaxed a week of bustling activity by the Student body as well as the city.

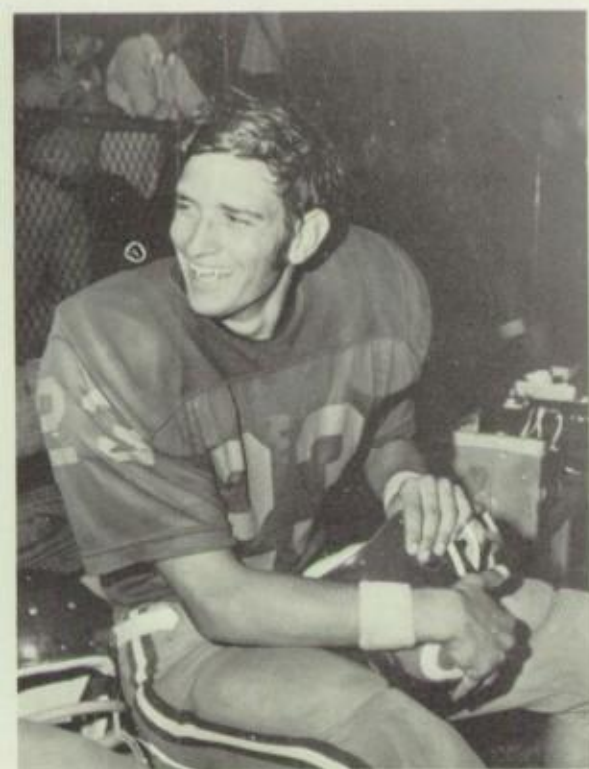

In essence, the 1972 Bobcat football season was one of excitement and disappointment, hard work and satisfaction. This year's consistent improvement leaves much hope for next year's team.

# 4 Cats Make All-District

It takes more than just going to practice and playing on Friday night to be named to an all-star team. Personal determination, pride, working with others, leadership, and hard work are all characteristics needed to earn the nod of opposing coaches. The constant effort of four Bobcat Seniors were rewarded by their being named to the All-Southeast Arkansas teams. Jimmy Hall and Steve Ross ( TOP RT. ) were named to the All-Southeast Arkansas team. Don Jagers and Bruce Morgan were given honorable mention for All-Southeast. ( BTM. LEFT ). All four were named to the All-District team. TOP LEFT: Jagers and Hall take a short breather between plays. # Juniors Clench Conference Title

The main ingredient in a district championship for the Bobkittens was DEFENSE. At one time during the year, the Bobkittens held their opponents scoreless for 20 quarters of play. Their opponents were held to 2.7 points per game while the Jr. Cats averaged 13.1 points. This year's championship record required an undefeated conference record with the only loss a non-conference one to Whitehall. In the words of Coach Ronnie Willis, "Pride, ability, and teamwork was what it took, and this team had it." OPP. TOP LFT.: Conference trophy. OPP. BTM. ### *A Year for Victories*

Before the 1972-73 season began, Coach Ira Green made the statement, "Three elements are essential to make a team a consistent winner throughout the season: absolute conditioning, knowing the fundamentals of the game, and playing as a team." It is easy to see that this team has fulfilled these elements to the greatest extent. Some of Dumas' most avid basketball goers have said that this is the best team Dumas has ever had. ## *Senior Varsity*

The Bobcat Varsity was truly a joy to watch. Whether it was Williams gliding in for a layup or Webb or Hall or Mitchell going up high for a rebound or Johnson tenaciously after the ball on defense or a substitute coming into the game and providing the winning spark, the Cats played with a spirited individualism that showed itself in tremendous teamwork.

# Cats Sweep HSC Tourney

The Bobcat roundballers won their first tournament since 1953 by sweeping the Henderson Invitational in January. The Cats took wins over Nashville, Arkadelphia, Altheimer, and in the finals, over Stamps. Co-captains Lawrence Webb and Robert Williams were named to the All Tournament team. CENTER RT.: Players get their first look at the tournament trophy. BTM. LFT.: Lawrence Webb and Robert Williams receive their outstanding trophies. BTM. RT.: Williams received MVP award.

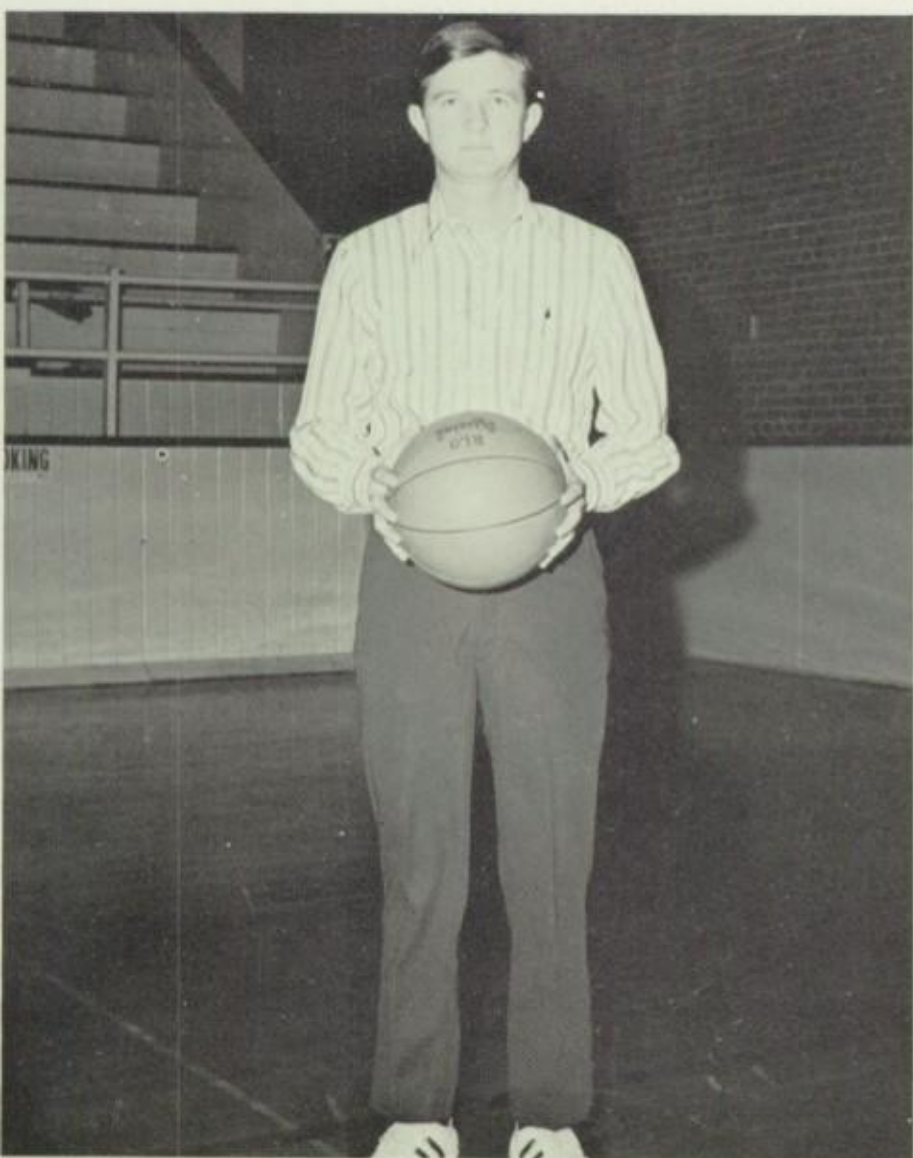

## *B-Team Gains Experience*

The 1972-73 Bobcat B-team is probably the youngest Dumas has ever had. Their youth and inexperience are more than made up for with a relentless defense and a potent, controlled offense, however. With these young players getting practice against other Senior B-teams in the area, a lot of talent should develop for the future varsity teams. ABOVE: Coach McGee, A. Williams, R. Tanner, L. Norman, C. Pickett, T. Coleman, E. Mitchell, D. Ray, D. Jackson, B. Boyd, J. Lewis, S. Tidwell. LEFT: Coach Jimmy McGee.

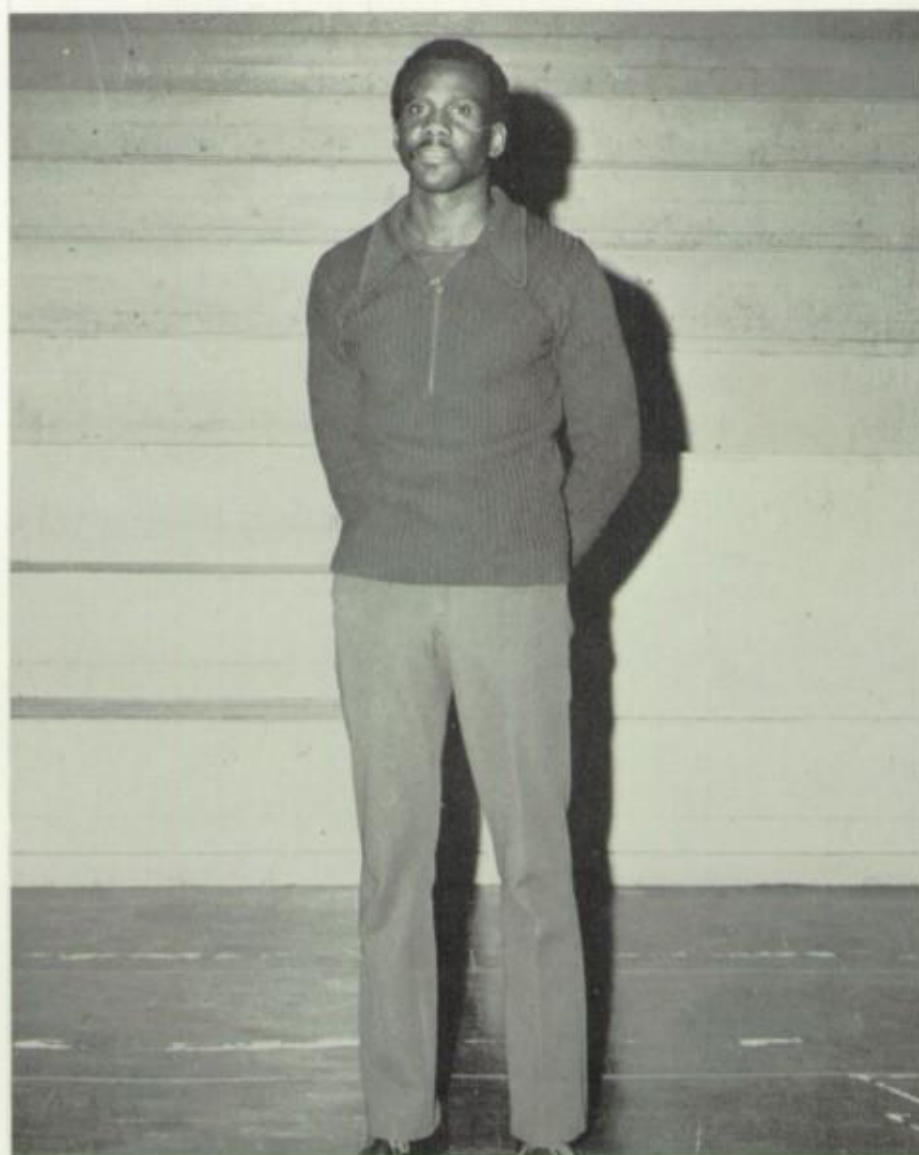

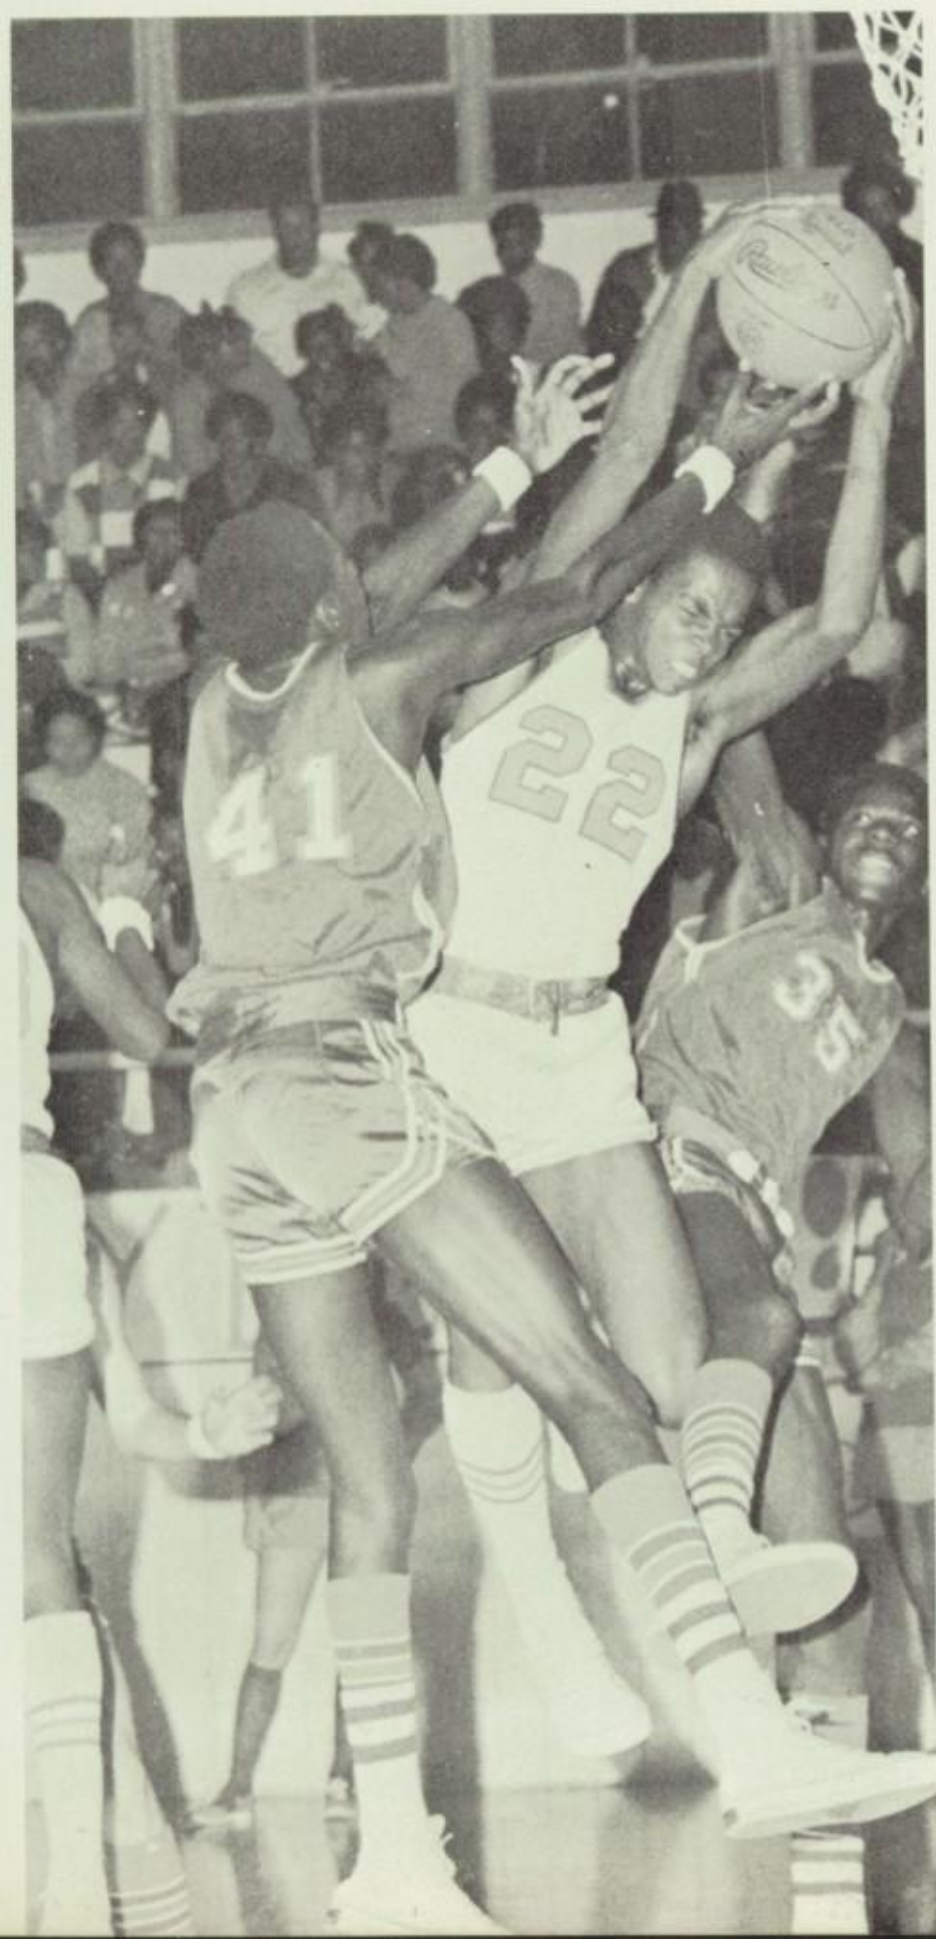

## *Junior Basketball*

Aggressive, talented, winners: these are three words that Coach David Rainey used to describe his Junior Basketball team for 1972-73. Lacking that big offensive punch, the Juniors' offense was really a tenacious defense. Capitalizing on the other teams' mistakes was the Juniors method of winning.

Images and moments - all captured for our remembrance.

First of all, I don't want you to remember me by the pictures in this crazy book. They have got to be the Dumbest pictures I have ever seen. I guess this has <sup>been</sup> the best year ever. I have had a lot of fun this year and I know that you have <sup>had</sup> fun too.

Randy,

I have never had so much <sup>fun</sup> chunkin' paper wads as this year. You can even <sup>chunk</sup> better than Eddie. Keep your arm <sup>in</sup> shape and keep on catching fish and frogs.

Corky  
P.S. I especially had fun chunkin' at Bishop in study hall with you.

Dear Randy,  
I've been with you since I was in school. I've been with you and sitting at the table in the library while you throw paper wads, while you throw paper wads. Hope you had a nice year.

Love,  
Laurie

Randy  
You're a nut!  
But you're pretty nice  
although I don't <sup>know</sup> how Sharon  
can take you. Best wishes in  
future.

Love,  
Theresa

Randy,

Well we are finally juniors. I still remember when we were going to the same church and visited each other. It was fun when we were young. Good luck in everything, including sports & girls.

Lots of friendship,  
more

Randy, another  
year of fun. And next  
year of 75. (I can't believe it)  
Good luck in the year  
"75"

To come.  
Jackie

Randy,

I wish we  
could've had study  
hall together. I  
reckon we'll see each  
other this summer.  
Good luck and be good.

Mike
